## IMPORTANT!

**If you are single and your income is below \$12,880 the majority of your bill will be paid with funding we receive from the Bureau of Primary Health Care, local foundations and other contributions.**

\*There are additional fees, based on family size and income, for devices such as Long Acting Reversible Contraception (LARC). You will be notified in advance to discuss options, including payment.

\*\*The charge for dentures & resin partials and crowns is a one-time fee. \*\*\*For other procedures considered major dental work, i.e., cast partials, bridges, root canals, etc., you will be charged flat fee for Slide Scale A and a percentage of the full fee for all other Slide Scales based on family size and income. Please speak with a Patient Service Representative regarding any questions about this Sliding Fee Schedule and program including definition of income and family size. Please see our pharmacy for questions regarding cost of prescriptions, which are NOT part of this Fee Schedule.
